

Original Play Release Form 2011-2012

Original Play is organized by CFS staff members who have attended Dr. Fred Donaldson's workshops. We meet with students from each class once a week and "play" – at each session there are at least two trained CFS staff present. As Dr. Donaldson states, all we are doing on the mats is providing safety and love, but in practice you have to keep in mind an image of two or three bear cubs rolling about; there will be the occasional bump and scuff mark along the way.

We are excited about the promise of *Original Play* to deepen our sense of trust not just in each other but in the "rightness" of the world, as we come together in a joyous, improvised dance that will strengthen our sense of connectedness. More information is on the *Original Play* web site: <<http://www.originalplay.com/>>

Students will not be permitted to participate in *Original Play* until a signed release form is on file. Please complete the *Original Play* form, below, and return it to the Connecticut Friends School office.

My child _____ has permission to participate in Connecticut Friends School's *Original Play* program for the 2011-2012 academic year.
